Exalted Ruler's Message

What a ride it has been for the last couple of months. October has officially arrived with cooler weather, shorter days and the leaves starting to change colors. It is so different than the long, hot, summer days. We all have our favorite time of year and many of our members enjoy our fall days' best.

We had our first wedding on the new pavilion and it was a huge success. The lodge is ironing out snags with utilizing the pavilion so our members can continue to enjoy it with little disruption. It is going to be a process to manage the pavilion's use as there is always a learning curve involved with any process. The board's goal is to generate revenue and create an excellent experience for both members and guests.

There has been a lot of talk around the lodge regarding hiring a golf professional and maintaining Mark Pringle as our Golf Course Superintendent. The board is working hard to allocate funds to retain Mark Pringle for years to come. The board is also planning to acquire a new golf professional at a competitive compensation package. With the competitive work force, we are faced with difficult decisions daily on the best way to ensure the future success of the Port Huron Elks Lodge 343. It would be refreshing if our entire membership supported the difficult decisions that have been made in the past three years and future decisions that will be made to support the fiscal success of the Port Huron Elks Lodge 343. I respect everyone's opinion; however, we are operating in an unprecedented time with the additional costs that are present since COVID gripped the world. The board of directors meeting is every third Monday of the month at 6:30pm in Sylvies. Members are encouraged to express any ideas or concerns at that time. It would be appreciated by the board of directors and 98% of the members if that is where those complaints are voiced and not at the bar. I have mentioned in the past that our members and guests want to relax and enjoy themselves in our Social Quarters. Our members and guests do not enjoy the micromanagement by our members that struggle to recognize all of the positive growth our lodge has experienced in the last few years.

Those individuals with remaining pro shop credit need to be aware of the new merchandise that is coming into our pro shop. Our membership can also place special orders. Sonya has that contact information and will be happy to assist in ordering any special items that can be obtained with pro shop credit. The board of directors are also discussing fall golf rates. Those decisions will be posted in the pro shop during the month of October.

As we prepare for the long winter months, we are applying for a new Queen of Hearts license. We are looking at starting the Queen of Hearts near the end of October and it will run for 40 weeks. We need to bring members into our social quarters on a regular basis. Those members who continue to support the kitchen and bar area, thank you so much for your continued support. Those members who have not been present to experience our excellent food, please come in and support our wonderful organization.

Gary Nesbitt is taking more of a leadership role as he prepares to transition into the position of Exalted Ruler for the 2023-2024 year. He is our current Esteemed Leading Knight and has the best interest in the future success of our lodge. It is a lot of responsibility, it takes a supportive membership and a board of directors that has the best interest of the entire lodge. WE must all work together to continue to become the best Port Huron Elks Lodge 343 that we can be. Finally, our entire group of Lodge Officers continue to do an outstanding job. With everything that has transpired over the last few years, we have weathered many storms and have become stronger and more cohesive as the best Elks Lodge in Michigan. Thank you for allowing me to serve as the Exalted Ruler for the second year at the Port Huron Elks Lodge 343.

Fraternally yours,

Gerald W. (Gerry) Goodwin, Exalted Ruler

WELCOME NEW EVENT COORDINATOR ALIENA DRUMMOND!

Hello! My name is Aliena Drummond, I'm the new Event Coordinator for the lodge. A little bit about myself, I have resided in the area most of my life.

I have 7 years of experience in events and many years in hospitality. As most of you already know our Wedding Season is underway. We will be having rehearsals on Friday evenings and ceremonies taking place on Saturday afternoons. I just want to thank all the members for being so welcoming! I'm excited to be here.

CLUB 343 NEWS!

CLUB 343 had it's second ticket winner. Congratulations Ryan Morgan who bought a square on our Square sheet (located on the bulletin board by the social quarters bar)

The cost is only \$1 per square and the pay out is a 343 ticket worth \$45 or more depending on if the number is drawn during our meetings 2nd Saturday of each month at 5pm.

MARIJUANA USE PROHIBITED ON LODGE PREMISES

The Board of Directors, and House Committee of the Port Huron Elks Lodge 343 has had an increasing number of complaints from members of marijuana use on club property.

The Michigan Marijuana Act Section 333.27954 (e) prohibits the use of marijuana in a "public place" or where prohibited by the owner/manager(s) of said property (i.e., the Port Huron Elks Lodge and property). As such any member reported will be referred to law enforcement for investigation and subsequent penalties.

Also, PGER Ronald Hicks in a memo dated November 14, 2018 has advised that the smoking of marijuana products in, on or about lodge property (including the grounds, parking areas, and all other outside areas of the club) will be deemed a violation of the Obligation and Conduct Unbecoming of an Elk, and will be subject to discipline under the Laws of the Order.

We continue to strive to give this lodge a safe, inviting and family atmosphere for all of our members.

PER CORNER WE HAVE ELK ON THE GROUNDS!

The Port Huron Elks Lodge 343 Past Exalted Ruler Association recently purchased two full size bronze Elk statues for our Elks Lodge 343 which were placed near the Elk Member's Memorial today, August 24th.

A BIG Thank you to Elk members Sean Quain, Mike Falter and PER Scott R. Harris who put this purchase plan together. Sean, who found out about the possible sale of the two statues and immediately contacted his Father in Law Mike. Mike then contacted Scott, who then reached out to his fellow active PER's to see if the interest was there and which PER funds could be used for the purchase. The rest, as they say, is history.

Thank you as well to PER Steven Peters (use of his truck & trailer), PER Joseph Barbe, Lodge 343 Greens Superintendent Mark Pringle, Scott & Jeff Bennett for handling the loading, delivering, unloading and placement of the statues.

The PER's have more work to complete in the near future as to the final statue settings, landscaping, adding the garden border and enclosed garden area around the monuments.

Once everything is completed there will be another article published about the actual "Bennett" history of the Elk Statues and with final placement pictures.

A special thank you to Jeff & Bridgette Bennett from Marysville, MI. who were kind enough to sell the two beautiful statues to our Lodge 343 for all to see and appreciate for years to come.

NOTES FROM THE PRO SHOP

Congratulations to Greg Hudy for your hole in one on #14. That makes 5 reported to the pro shop this year! Congratulations also goes out to our Club Champions: Shawn Eagle is our 2022 Men's Club Champion and Lynn Burgett won both the Women's Senior Club Championship and the Women's Club Championship this year. She's definitely taken a leading role amongst our lady golfers.

Thank you to those who participated in our Lodge Improvement Tournament this year. These funds will be used to keep our course beautiful and make needed changes. I would personally like to extend a huge thanks to all of our league officers for the work you've done this season. Being a league officer is a volunteer position that consumes hours of work weekly and I know our players truly appreciate you too!

A few reminders for our members:

- Shop Credit expires on October 31st. If you would like to order a special item from our retail rep., please talk to Sonya about how to do this. We have had a lot of success helping members spend their shop credit on special order items.

- The days are getting shorter so please keep in mind that the golf carts are not to be out on the course after dark. The cart attendants are

instructed to have all carts cleaned up and in the barn by dark. This is a safety and liability issue so please do not make us come pull you off the course.

- I have 2 new pro shop employees hired in for the fall season. Please be courteous to all of our staff but especially to those who are learning. Share the joy and kindness of being a true ELK!

Scholarship Season Begins

It seems like it was just yesterday that we welcomed a new class of Elks scholars to the Elks Family. But a new scholarship season has already begun.

The 2023 Most Valuable Student scholarship contest IS NOW OPEN! The MVS scholarship is open to high school seniors who are U.S. citizens. The 500 four-year scholarships are awarded based on academics, service, leadership and financial need. The top 20 finalists will attend the 2023 Leadership Weekend to learn about the Order and to serve in the name of the Elks and also interview for the top awards, ranging from \$20,000-\$50,000. The remaining 480 runners-up will receive \$4,000 scholarships. Spread the word to the high school seniors in your life to apply by November 15, 2022. Learn more about the MVS contest and find the application link at enf.elks.org/MVS.

The 2023 Legacy Awards contest are \$4,000 scholarships for high school seniors who are the children and/or grandchildren of dues-paying Elks. Any child, grandchild, stepchild, step-grandchild or legal ward of an Elk who joined the Order on or before April 1, 2020, is eligible to apply. Legacy scholars are required to serve with a Lodge every year. Legacy Awards applications are due on or before February 7, 2023. Learn more about the Legacy contest at enf.elks.org/Leg.
